

BAG & BOX TIPPING

QUALITY HANDLING EQUIPMENT

Twin Box Tippers with forward conveyors

150° Box Tipper with forward conveyor

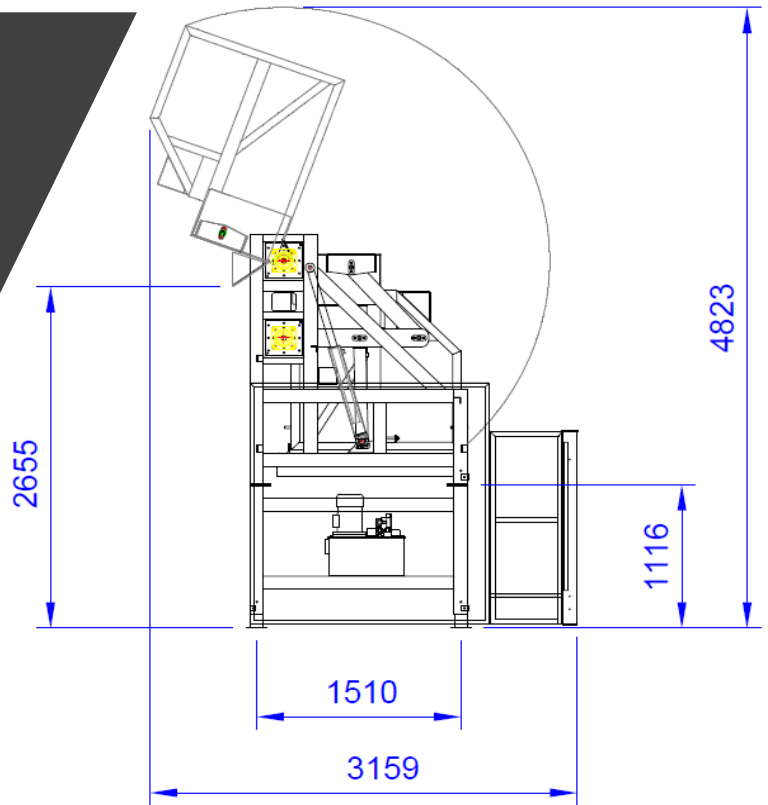

Heavy duty 160° Bag & Box Tipper

Our range of bag & box tippers is comprehensive & offers gentle, efficient handling of crop

Designed to meet your specific requirements and manufactured with the latest technology and safety features, Tong's bag and box tippers offer robust and reliable tipping, with gentle handling in mind.

Tong's Heavy Duty 160° Control Flow Box Tipper is one of the widest tipping box tippers on the market. The tipper features the latest ram tipping mechanism design with enhanced strength, resulting in less strain on linkages for an even more robust and low maintenance machine. The fully automated tipper handles boxes up to 2 tonnes, or can be custom built to effectively tip and empty 1.25 ton bags.
